

NFL AT WEMBLEY STADIUM

CINCINNATI BENGALS V LOS ANGELES RAMS - SUNDAY 27TH OCTOBER 2019
HOUSTON TEXANS V JACKSONVILLE JAGUARS - SUNDAY 3RD NOVEMBER 2019

The Los Angeles Rams, the defending NFC champions, will host the Cincinnati Bengals on October 27. The following week, the Jacksonville Jaguars will stage their seventh annual home game in London, taking on another first-time visitor in the Houston Texans.

Cincinnati Bengals v Los Angeles Rams

The NFC champion Rams pitched a shutout two years ago in their trip to London during Sean McVay's first season. Could Aaron Donald & Co. put up another goose-egg against Andy Dalton and the Bengals re-imagined offense with McVay protégé Zac Taylor at the helm or will the former apprentice prevail?

Houston Texans v Jacksonville Jaguars

The Jacksonville Jaguars believe upgrading from Blake Bortles to Nick Foles at quarterback will swing them back into playoff contention. After loyal London fans were forced to watch Bortles for years, the change to Super Bowl MVP Foles should be a breath of fresh air. With dynamic DeShaun Watson joining the show, England viewers should finally be getting some good quarterback play to devour.
